Re: **Request for Review**

Administrator Denials for Invoice Deadline Extension Requests dated 06/18/13 and Earlier
CC Docket No. 02-6

Dear Mrs. Dortch:

We are appealing USAC's denial of invoice deadline extension requests and subsequent appeals for FRNs as noted above in letters dated June 18, 2013, and earlier, having the following explanation:

- **Current invoice deadlines and procedures require that Invoice Deadline Extension requests be filed by the end of the relevant invoice receipt period for the service category of the FRN requiring an extension. The invoice receipt deadline is 120 days after the end of the service delivery date or 120 days after the date of the Form 486 Notification Letter whichever is later. USAC rejected your request for Invoice Deadline Extension because the request was not filed in a timely manner. Since USAC's decision was consistent with Invoice Deadline Extension guidelines, your appeal is denied.**

In our original requests and subsequent appeals we explained to USAC that the applicant experienced staff turn-over, beyond its control, resulting in the loss of institutional knowledge of E-Rate rules, regulations, policies, procedures, guidelines and deadlines

Adding to the disruption of its E-Rate program, the applicant incurred major damage to its buildings as result of a tornado on May 8, 2009.

Subsequently, timely service provider discount election letters or BEAR forms were not filed.
